

Choir Arrangements for Tuesday December 17th,

Afternoon Rehearsal at the Ladies College

You have already given your permission for this to take place and the rehearsal will take place during the school day. Your child will be transported there and back by bus.

Evening Performance at the Ladies College

We have a VERY large number of children taking part in this event and it is very important that everyone adheres to these arrangements:

Drop off; Foyer/corridor of the main entrance to the Ladies College **between 6.50 and 7pm** please.—a member of staff will be there to greet you.
Please don't drop your child off before this time as staff have other duties and preparations to make which can be very difficult to do with children in tow and jeopardises Health and Safety regulations. Please keep your child with you until this time even if you are inside the building. THANK YOU.

Pick up; From approximately 9.15pm onwards, please collect your child from the Gymnasium (to the rear of the Hall) ensuring they have had their name ticked off the register. Thank you. If you are unsure about where the Gym is—don't worry, it is close by and you will hear us! This is the safest place for you to meet your child and we apologise in advance—we know this is going to take a little time as the corridors are narrow and there will be many people. Please bear with us for the safety of the children.

Concert; 7.30pm—9.15pm (approx)

Dress codes; Evening - Girls; long sleeved shirt, Leckhampton tie, grey pinafore/skirt, **white** socks, polished shoes
Boys - long sleeved shirt, Leckhampton tie, long grey trousers, polished shoes.
Everyone—festive smiles!

Tickets are still available
from Mrs East in the
Office

Refreshments; Your child will need a named bottle of water and a light fruit snack for the short interval.
