C of E Primary School

Week  
ending 4<sup>th</sup>  
March  
2016

Dear Parents

I would like to extend my thanks to those who attended our Teaching and Learning Evening Meeting just before half term. We hope that you enjoyed learning a little more about the curriculum, assessment and how we support and encourage the whole child. I do think the photographs at the end helped to demonstrate what we have on offer here at Leckhampton and I know that many of you were touched by them.

“Open Classrooms” continues to be well supported and many families have enjoyed the opportunity to share a special piece of work which has been selected by your child. Please check the website for future dates.

Have you taken a look at the website recently? There is a great deal of information available for families, which is hopefully easier to navigate. Thank you so much to those who have given lovely feedback on the cross country photos in the Gallery. Many thanks to Mrs Smith for taking the shots and to Mrs East for uploading them. Don't forget, you can now follow us on Twitter. You can find us @leckhamptonsch

Please could I remind parents that dogs must not be brought on to School premises, whether on a lead or being carried. We also politely request that owners do not tie their dogs to the school railings at any time.

Some time ago we sent out a reminder to parents to ask that they refrain from driving into the car park when dropping off at Breakfast Club. Please could we ask that families support us in this as I have received reports of near misses in the car park and there is growing concern that there may be an accident. Also in the interests of our children's safety, cars should not be driven on the pavement, parked on yellow lines or block neighbours entrances. Traffic Wardens and Community Support Workers have recently reported their concerns about illegal parking around Schools and will be making random checks. Families who require disabled parking facilities are welcome to use the two parking spaces at the front of the School or the single space at the rear of the car park.

Best Wishes

Sam Porter
