C of E Primary School

Week  
ending  
31<sup>st</sup> March  
2017

Dear Parents

I would like to extend my thanks to those who attended our recent evening meetings on Online Safety and Body Image. Many of you commented on how informative they were and how they provided you with useful tips and ways of addressing issues or concerns with your child.

Well this has certainly been an action packed half term! From sporting tournaments to the Rhyme Rocket landing here at Leckhampton, there have been a significant number of events that children have been involved in. There is still one very special event to take place however...House Music! The House Captains and Vice Captains have been working incredibly hard to prepare the children for next week's event. You can feel the musical buzz around school and as I write this I can hear a rehearsal taking place in one of the classrooms during break time.

Some time ago we sent out a reminder to parents to ask that they refrain from driving into the car park when dropping off at Breakfast Club. Please could we ask that families support us in this as I have received reports of near misses in the car park and there is growing concern that there may be an accident. Also in the interests of our children's safety, cars should not be driven on the pavement, parked on yellow lines or block neighbours entrances. Traffic Wardens and Community Support Workers have recently reported their concerns about illegal parking around schools and will be making random checks. Families who require disabled parking facilities are welcome to use the two parking spaces at the front of the school.

## Conservation Area and School Grounds working day

Saturday 6<sup>th</sup> May 2017 – 9.15am – 1.00pm

As part of our continued drive towards a school with a greater focus on outdoor learning I am keen to tidy up our conservation area and school grounds in readiness for the summer term. Therefore, I need practical and physical help with this. In particular I need help with the following:

- Clearing and tidying of the conservation area
- Planting of water-loving plants in the new school pond
- Sowing of meadow flowers – this will need to be dug over beforehand
- Re-stocking the bug hotel (I need old plastic pipe, plant pots, short bamboo sticks, pine cones, cracked roof tiles, cardboard poster tubes etc.)
- General pruning and cutting back
- Litter collection

If you would like to help at this event, please let me know via my email:
