Dear Parents

November is Anti-Bullying month. In Worship on Monday we thought about bullying; what this might look like and how it might make someone feel. We used the acrostic STOP, to help to understand this more fully. 'Several Times On Purpose' helps us all to realise that bullying is not just falling out with our friends but something much more serious. The children thought about what they could do if this should happen to them or a friend. Representatives from the school signed the school's Anti-Bullying Charter, which will be placed in our school entrance for everyone to see. In classes, children will be exploring the themes of friendship and bullying as part of their work this week. The charter is available for everyone to see on the school website.

You will have received an email from Miss Gill inviting parents to share their views on homework, as part of our policy development. Thank you to everyone who has responded so far. If you can't make the meeting, you can still share your thoughts via email marked for Miss Gill's attention.

Celebration Worship on Fridays

Each Friday, the school family comes together to give thanks and to celebrate each other's achievements. If your child has received a certificate outside of school, we would love to celebrate this in our Worship. We have certificates and trophies for all kinds of things including dance, horse riding, being brave when visiting the hospital and much more.

Children in Need

On Friday 17th November, children are invited to wear something spotty for Children in Need as part of our non-uniform day. The suggested donation is £1 however all donations are gratefully received.

Parking

Unfortunately I have received a number of complaints from local residents complaining about parking outside the school. Please could we all try a little harder to park considerately and to adhere to the highway regulations. Thank you.

PE Kit

A reminder that PE kit should be available in school every day. Please ensure that it is named as we have already accumulated quite a large number of items in lost property. Thank you.

Break Time Snacks

Please could we remind parents of the following school expectation on snacks at break time.
"Fruit or vegetables, prepared at home, may be brought to school by children in Key Stage 2 to be consumed at morning break time; children in Key Stage 1 are provided with fresh fruit or vegetables under the Government funded School Fruit and Vegetables Scheme." (School Prospectus) Thank you for your support.

Yours sincerely
S J Porter
Headteacher
