26th November 2018

Dear Parents

Gloucestershire County Council has informed us that Cllr Lynden Stowe, Cabinet Member for Economy, Skills and Growth has taken the recommended decision to approve the permanent expansion of Leckhampton C of E Primary School from its current two forms of entry to three forms of entry, starting in September 2019. A copy of the decision notice and addendum report can be found by following the link below:

<http://glostext.gloucestershire.gov.uk/ieDecisionDetails.aspx?Id=1191>

As the formal statutory process comes to a close, we look forward as a school to working more closely with you throughout each stage in the development. We will ensure that you receive regular communications so that you understand what is happening and when. We fully appreciate the concerns which have been raised and we are already looking at how we can further engage the school and wider community in ways to address those. We know that pupil, staff, parent and local community engagement will be essential throughout the project, but especially during the planning stages, to ensure that changes and additions to the buildings are developed in a way which provides the very best facilities for our pupils and staff.

We are currently in dialogue with GCC to put together a schedule of dates/events so that all members of the school community have advance notice of when any meetings/consultations will take place.

We understand the importance of sharing information with our most immediate neighbours, local residents and other interested parties. In order that everyone can be kept informed of developments in a timely manner, a section on our website will be created which will include copies of communication sent out to parents. We will inform residents of this shortly and feel that this is the most efficient way to ensure that everyone has up to date information to hand.

As always, we remain committed to providing the very best opportunities for our children under the expert care and guidance of our dedicated team of staff. We look forward to working with you during this exciting next phase in the life of Leckhampton C of E Primary School.

Yours sincerely

Tim Beardsmore
Chair of Governors
