6th December 2018

Dear Parents

Following recent correspondence informing parents and residents of the consultation meeting planned for 13th December, where options for the school expansion will be presented, I have received correspondence from a small number of parents asking if the proposals can be released in advance of the meeting.

Unfortunately, as the architects are currently working towards the deadline of the meeting, they are not in a position to release information beforehand. Please be assured however, that feedback sheets will be available to take away from the meeting and an email address will be set up where comments can be forwarded directly to the architects. Following the meeting, they will also provide digital copies of the images which we will then be able to place on our website for reference. Display boards will also remain in the main entrance for visitors to view.

Kind Regards
Sam Porter
