Dear Parents and Residents

I would like to invite you to view and give your feedback on some initial options for how the expansion project for our school could be provided on site.

Officers from Gloucestershire County Council and members of the Design Team together with the Governors and the Senior Leadership Team of the school would like to give you the opportunity to view the initial designs and site layout on Thursday 13th December between 3.30pm-7.00pm.

Members of the Design Team will gather the comments and feedback from you and you are then invited to join us again at a further drop in on Wednesday 30th January between 3.30pm-7.00pm, to view an updated design for further feedback before a scheme is submitted for planning permission.

As the statutory formal process has now come to a close, I feel that it is important that the school shares regular updates with our most immediate neighbours, local residents and other interested parties. In order that everyone can be kept informed of developments in a timely manner, a section on our website has been created which will include copies of communication sent out to parents. You can access it by following the link below;

<http://www.leckhampton.gloucs.sch.uk/about-our-school/proposed-expansion/>

We look forward to welcoming you at the meeting.

Yours sincerely

Sam Porter
Headteacher
