

Leckhamptonbulletin

C of E Primary School

Dear Parents

Many thanks to those who attended our recent Curriculum Evening held here at school; it was wonderful to receive such positive feedback on the changes we have made to the curriculum. Over the next few weeks we will be looking to share further improvements we have made to our Feedback and Behaviour Policies with parents. Where possible we are trying to ensure that all the information you need is on one page and is easy for everyone to understand. We will let you know those dates well in advance.

Next week is Road Safety Week. As always we aim to encourage as many families to walk to school as possible and we have definitely seen an increase in the numbers of scooters we have at school. Parents have feedback that this has been one of the most effective ways of encouraging children to travel school on foot. We do see that there is a real need for additional scooter storage and we will look to try to secure additional funds for this over the coming weeks. The pupil parliament will be discussing the theme of travel in their meetings and I know they already have some interesting ideas about ways in which we can encourage walking and safe drop offs at the start and end of the day.

We are back on Twitter! Please follow us to hear more about school life; from science club to staff development meetings, we hope to share a greater insight into what school life entails. Thank you to those who follow us – we hope you are enjoying our tweets.

We are @leckhamptonsch

Best Wishes
Sam Porter
