Dear Parents,

We are writing this letter because we are concerned about the safety of the children at our school.

It's very frightening for us all to see cars driving on the pavement or racing too quickly along the road. We need some space to cross the road safely so that we aren't worried about our journey to school. Please would you consider our safety and not park on the zig zag lines or speed bumps by the school.

We know it's stressful for parents on the way to work but maybe you could consider parking a bit further away to ensure that everyone can cross Hall Road and Church Road safely.

Please would you consider our ideas to help everyone stay safe on their journey to and from school.

Thank you
from

The School House Captains.
