Dear Parents

As Spring appears to have arrived, I thought it might be a useful time to remind families of some key information in relation to pick up and drop off.

Please could we request that pre-schoolers, and children who have been dismissed by teachers, are supervised at all times. We would also request that the site is cleared as promptly as possible at the start and end of the school day and that parts of the school such as the woodland area are not used by families at any time. Thank you for your support.

This week we welcomed our Challenge Partner reviewers who looked specifically at three aspects of school performance; leadership and management, teaching, learning and assessment and outcomes for pupils. Following scrutiny of the school's own evaluations, lesson observations, interviews with leaders and groups of pupils, the review team have made a judgement on each of the three areas. We look forward to sharing the full report with parents after Easter.

As always, school life is incredibly busy. Please do keep an eye on the website and twitter for updates on what is happening in school.

Best Wishes  
Sam Porter

Dear Parents,

Pupil Parliaments would like to remind Key Stage 2 children that at playtime should be eating healthy fruit and vegetable snacks like the children in Key Stage 1.

We would like to ask all parents to help with this as we think that children who eat a healthy balanced diet are healthier and happier.

Thankyou  
Pupil Parliaments
