C of E Primary School

Dear Parents

The new term is well underway and despite a couple of snagging issues, the works completed over the Summer Term have been a huge success. The smell which once emanated from the Key Stage 1 toilets has gone! We will be replacing the carpet in the corridor in half term which will hopefully give it a new lease of life.

Over the past few weeks, we have had a number of evening meetings for parents including the secondary transfer meeting, the reception welcome meeting and our FOLPS AGM. The meetings were well attended and it was great to hear positive feedback from parents. Once again I am delighted to say that we have a newly elected FOLPS committee and therefore we are able to continue with our much loved events across the year. Thank you to all those who work so hard to make FOLPS happen.

We held elections for our House Captains and Vice House Captains in year 6 and our Pupil Parliament is now up and running. Pupil voice is such an important aspect of school life and it is wonderful that so many children wish to be involved. This week, our Sports Captains will be announced and we are introducing Arts Captains for the first time this year.

In November we are introducing monthly parent meetings with a member of the senior team. A key area for discussion will be identified by the school and parents are invited to share their views and ideas within this meeting. In turn we hope that this will lead to improvements across school. The meetings will be held during the school day and more information will follow on this in due course.

Please could I inform parents that the school office operates between **8.30am and 4.00pm Monday to Friday**. Whilst our dedicated office team are often in school well before and after these times, we do ask that parents access the school office between the hours of opening – thank you.

## **Important Information**

### **Where changes need to be made to pick and drop off arrangement for pupils**

If you need to inform the school of a change in pick up arrangements for your child, parents/carers must adhere to the following guidelines;

- Please inform the class teacher of any changes to pick up, by letter in the first instance.
- If parents/carers need to make a sudden change to pick up arrangements during the school day, they **must phone the school office directly and speak to a member of staff**. Please aim to do this as early as possible in the school day.
- Please **do not email** with changes to arrangements as we cannot guarantee that the email will be picked up in a timely fashion. Our members of staff have multiple roles and are routinely required to work away from their desks.

Thank you for your support.

Best wishes  
Sam Porter
