Thursday 7<sup>th</sup> November 2019

Dear Parents,

As you may be aware, the BBC Children In Need Appeal Week takes place next week from 11<sup>th</sup>-15<sup>th</sup> November.

As a School, we feel that this is a good opportunity to not only raise funds for local charities, but also to raise the children's awareness of some of the difficulties faced in the lives of others and how each and every one of us can make a positive difference.

Some of the local charities who will benefit from this fundraising are based in Cheltenham and include National Star College, Winston's Wish and Cotswold Riding for the Disabled.

On Friday 15<sup>th</sup> November, we invite the children to come to school dressed in the sports clothing of their choice, in line with the `Move More` theme.

As a whole school family, we plan to share carefully selected case studies with the children to highlight some of the issues affecting primary aged children. This will help to develop the children's awareness of some of the barriers children have to overcome in order to lead as full a life as possible. This will help to further develop the children's sensitivities in respecting the dignity and worth of each individual.

We ask that children bring a donation of £1 per child, which we can then donate as a school to Children In Need.

We look forward to enjoying a fun, thought-provoking day on Friday 15<sup>th</sup> November.

Yours sincerely,

Miss S Porter
