15th December 2022

Dear Parents

As we come to the end of what has been another busy term, I am putting the finishing touches to our Christmas Worship, which will take place tomorrow morning. This will be the first, face to face, Christmas Worship with staff and children since 2019. This is such a special time for our school family and this year the theme will be joy.

The term started on a very sad note for me personally. My lovely Dad passed away suddenly and in difficult circumstances at the end of the Summer holidays. During our staff in-service training day in September, I spoke to staff about my Dad and the great joy he brought to those who knew him. As one of our many priorities this year, I asked the team to set out to bring as much joy as they can to each other and to all in our school family. As staff, we have the privilege of experiencing little moments of joy in school each day. From learning about a new idea or concept, to overcoming a challenge or difficulty, our children provide us with such moments each and every day. Seeing our school family come together for the lighting of the Christmas Tree, our Year One Nativity, sporting events and tournaments, educational visits and this week's Rotary Concert, have all helped to spread a little joy.

Joyful moments stay with us always and as my family gather on Christmas Day this year, I know there will be many stories and memories shared. I hope that you all enjoy spending time with your loved ones and wish you many joyful moments in 2023.

On behalf of the all of the staff, I should like to wish our families a very merry Christmas!

Best wishes

Sam Porter
