

## Summer Term 2023: Extra-Curricular Clubs

Dear Parents,

As we approach the end of Spring Term, we would like to inform you of the Extra-Curricular Clubs that are running in the Summer Term. If your child would like to attend a teacher-led club, notices will be given out during Worship and children will be able to collect their letters from the member of staff leading the club. Please do not e-mail the school office with club sign-ups. External providers have their own sign-up systems. There will be a few lunchtime clubs offered but these will be offered within school and there is no need for a parental slip.

We will also place all of the relevant letters on the Extra-Curricular Clubs and Activities section of our website for you to download and print. Finally, if there is high demand for a particular club, the staff will endeavour to find a way to allow as many as children as possible to access the club.

Kind regards,  
The Leckhampton Team
