

Dear Parents,

It has been an exciting first week back at school! We were delighted to see so many parents attend Open Classrooms on Wednesday. We were then visited by Reverend Gary on Thursday, who led Worship to the whole-school. Finally we had our Low Energy Day today to consider our impact on the planet and reduce our electricity consumption.

Health and safety notices

May we please remind all parents that dogs are not permitted on the school site. (Assistance Dogs are permitted on the school site) This is a Gloucestershire County Council ruling that must be adhered to. Thank you.

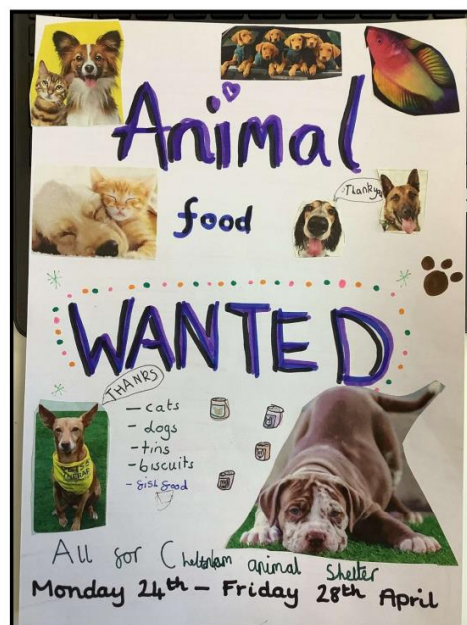

Parents are also reminded that children must be closely supervised should they allow their child/ren to use the play structure at the end of the school day, once dismissed from the teacher's care. Please ensure that your child traverses the structure safely, entering and exiting the equipment safely.

Cheltenham Animal Shelter Food Donations (Monday to Friday next week)

Starting on Monday, we will be collecting any donations of unopened animal food. This is because the pupils voted for GAWA as one of their two chosen charities this year. A representative from GAWA will greet the children on Friday 28th April during Worship and will take all of the donations with them at 10am. This is completely optional and there is no requirement for families to take part.

A message from The Everyman Theatre

Cheltenham Operatic & Dramatic Society are putting on a production of Andrew Lloyd-Webber's 'School of Rock' at The Everyman Theatre during May half-term. They had 180 children from all over the county register to be part of the show, with 12 incredibly talented individuals eventually being selected for the young cast.
