

Dear Parents,

We are so pleased that your child has expressed an interest in joining Year 6 Choir or Junior Choir (Year 3 to 5). Your child does not need to do anything to be part of these clubs as they will be held during lunchtime – no slip required and unlimited spaces! However, we will be working towards a concert that will be held on the evening of Tuesday 19th December at The Ladies College and our choirs will be working towards material for this event throughout the term, so this may determine whether your child would like to attend each week. We do expect to see commitment to each session. The children will be given a reminder in school before choir starts so they know when and where we will be meeting.

Best wishes,

Mrs Bennett, Mrs Carta and Mrs Thomas
